Deadline for CFA Board nominations - June 8th

If you really like what the CFA is contributing to our community, you might consider running for one of our board positions and getting more involved. Nominees must be CFA supporting members (if you are getting this email message, you are a supporting member). Just drop us a note and let us know. You can nominate other people too (as long as they agree to run :-)

CFA has applied for 501(c)(3) status

We've applied for our tax exempt status which when granted will allow donors to make tax deductible donations to us. This would also significantly broaden our sources of grants and our ability to partner with other organizations. Wish us luck!

CFA is applying for some grants

We're joining Ten Rivers Food Web in a grant that would help us conduct a community food assessment and also help in our planning for developing a community center certified kitchen and food storage area. We're also applying for a grant that will help us promote and develop the farmers market. Light a candle for us!
